It has a separate website URL www.apnri.ap.gov.in for access to the benefit of Andhra Pradesh Non-Resident Indians and as such the database of NRIs settled/gone abroad, which is an important input to planning and to take care of their grievances.

2. State of Andhra Pradesh is one of the major labour sending States in India to the 17 ECR Countries mostly in the Middle-East, North-Africa and South-East Asia. There is large scale illegal immigration of labourers and no proper records are available of the authorized recruiting/travel agents with the Department and also the black listed agents to create awareness among the public so as to approach a proper channel to avoid fake agents.

4. Government after careful consideration of the above matter, hereby introduce APNRI Online Registration for the intending immigrants for profiling the data to curb the illegal immigration for which a fee of Rs.250/- (Rupees two hundred and fifty only) per person shall be levied towards APNRI Registration.
